Mysuru, Sept. 2 (RK&VNS)- Over 20,000 Muslim brethren offered mass prayers at the Tilak Nagar Idgah Maidan on the occasion of Bakrid or Eid-al-Azha celebrations in city this morning.

The mass prayers were led by Sir Khazi of Mysore Hazrath Moulana Mohamed Usman Shariff who remembered the sacrifice of Prophet Ibrahim Khaleelullah and his son Ismail Zabiullah who agreed to be sacrificed. He called upon people to come together in maintaining peace and harmony and also advised them not to take law into their hands.

He said that the foundation stone will be laid on Sept. 11. Similar prayers were held at Idgah Maidans at Shanthinagar, Bharath Nagar, Ghousianagar and other mosques.

Dr. Javed Nayeem, JD(S) National General Secretary Zafrullah Khan, District Wakf Board Advisory Committee Chairman Arif Mohammed Mehkri, Corporator Suhail Baig, Senior Journalist Afsar Pasha, Congress leader Shoukath Ali Khan and others were present.

India's inert invaluable assets

Teachers of elementary schools during the years not too long ago used to explain to their pupils that the range of Himalayan mountains were not only insurmountable but also served to protect the land and its people from invaders beyond the massive mountains, eternally covered with snow. However, that assurance was falsified in early 1960s with armed invasion from neighbouring China. The kings who ruled over large regions in different parts of the then undivided sub-continent as well as chieftans who held sway over limited territories such as Chitradurga in Karnataka are featured in the pages of the land's history covering many centuries for raising virtually impregnable Forts on top of hillocks. Golconda Fort near Hyderabad and many Forts in Rajasthan bear testimony to the *stone-based* strategy of the rulers of a distant past in the land. The watch-towers standing at the peak point of the hillocks were truly the silent sentinels alerting the citizens.

Lay people take fascination to reach the shrines on hill-tops such Chamundeshwari Temple in Mysuru not taking much note of both the sparse greenery on their surface or the hard rock that constitutes the mountain's mass. Even geologists don't seem to have examined the mineral wealth or otherwise that lies below the rocky surface of the mountains and hillocks.

Issues of laying ropeways on some hillocks having shrines at their top with large following of the devout, including the case of Chamundi Hill, have been examined in recent past resulting in inconclusive opinions among the citizens on leaving the hillocks alone. Mercifully, in the context of ongoing mindless mining of sand from river beds as source of raw material for raising multi-storeyed structures in urban spaces, the builders don't seem to have turned their attention to the rocks of the hills. The peaceful existence of the rocky mass may be short-lived given the recently reported move to set up plants in Karnataka for pulverising construction debris into powder form to be used in place of sand.

The Geological Survey of India, a government organisation established in 1851, is the agency entrusted with the protection of geological features in the country. Geological diversity, according to experts, includes rocks, minerals, fossils and landscapes of billions of years vintage. Conservation of *geological heritage* remains sidelined in the country with the mountains, standing as silent sentinels, not rated for their asset value.

EDITOR'S BOTTOMLINE

AFTER HISTORICAL VERDICT, A FARCE: ***Soon after the Chief Justice's Court delivered the historical Right to Privacy judgement on Thursday (Aug.24) it also saw the low end of litigation. Two Swamis, dressed in robes, challenged the appointment of the Chief Justice-designate, Dipak Misra, on vague grounds. The Court patiently heard them vigorously arguing in Hindi for an hour, peppered with hilarious moments, but in the end the Chief Justice imposed Rs. 10 lakh as fine on each of them for wasting judicial time and indulging in "publicity stunts" through Public Interest Litigation.*** *— In Business Standard.*

Dragon Bench

Tallinn: Estonian chainsaw artist Igor Loskutow recently shocked the internet with one of his newest masterpieces, a magnificent dragon bench carved out of a giant log.

Loskutow born in Talin, Estonia, the artist has been creating chainsaw wood carvings for the past 15 years, and it shows. He is currently a part of the Husqvarna chainsaw carving team, showing off his incredible skill. Although he uses a variety of tools for the really intricate details, the bulk of his work is done with an arsenal of chainsaws, which makes his intricate masterpieces even more impressive.

In case you're interested in having this incredible dragon bench decorating your garden, you should know that it already has a home, next to a butcher shop. The good news is that Loskutow can probably carve you one just as nice, maybe even more so. He has already created a similar one at the start of the year.

Art of Syringes !

Manila: Kimberly Joy Magbanua a nurse by a profession, not knowing that she would one day be able to combine her profession and passion for the arts in a completely new art form – Syringe Painting.

The 24-year-old nurse from Valladolid, Philippines, says that she got the idea to use syringes instead of paintbrushes about a year ago, as she was getting ready to give a patient an injection. Through a lot of trial and error, Kimberly managed to perfect her syringe painting technique, and she also continues to work as a nurse, she is now a celebrated artist as well. Her scribbled paintings have been featured on some of the biggest websites in the Philippines recently. Kimberly starts her artistic process by drawing an outline of her subject on the canvas, using a pencil. She then colours the entire background black for an enhanced visual effect, before using several syringes filled with coloured paints to scribble her design. It usually takes her between 3 and 5 hours to complete a painting, during which time she replaces the needles several times because they get clogged up with paint.

How many of our calories come from high fructose corn syrup?

Fructose makes up 10 % of the American diet. The average American consumes the equivalent of a 16-OZ soft drink per day. That works out to about 50 gallons per year. Is it any wonder that Americans are becoming diabetic in record numbers?

LAUGHTER THE BEST MEDICINE

A priest was talking to kids about peer pressure. He told them that at school they could be pressured into becoming bullies, or in a store they might be dared to steal something, both of which were bad. Then he asked, "What other pressures you might have?" One little girl responded, *Blood Pressure!*

VOICE OF THE READER

Goodness of Life...

Sir,

Reading Dr. Javeed Nayeem's article ***"A Tale of Three Conferences!"*** in yesterday's *Star of Mysore*, I was simply intrigued by the play of fate in each individual's life.

If one is good, providence returns that goodness multifold. The father of the girl-child with congenital defect in her heart was lucky to have Dr. Javeed as passenger in his taxi. May be the doctor was too nice to the driver that the latter must have felt the urge to greet the doctor on every *Ramazan* and *Bakrid*.

Hard to believe that the good doctor responded to the greetings by calling the taxi driver on phone. And look at the doctor's response. Amazing. You will surely reap as you sow.

Stray dog menace at Sports Pavilion

Sir,

It is highly regrettable to bring to the notice of MCC authorities that a pack of about twenty street dogs have made the University Sports Pavilion their inhabitant place. Almost all the dogs together disturb the children who come for sports training.

As the training starts from 6 am, children running around the pavilion are uncomfortable since the street dogs come across their movement, causing anxiety among them and their parents. Thanks to the supervision of alert coaches nothing as such has happened.

The parents are of the opinion that if the same indifferent attitude of the MCC authorities continues it will be very difficult for their children to continue with their training to become good athletes. Therefore, I feel it is necessary for the MCC to take up some remedial measures in this regard.

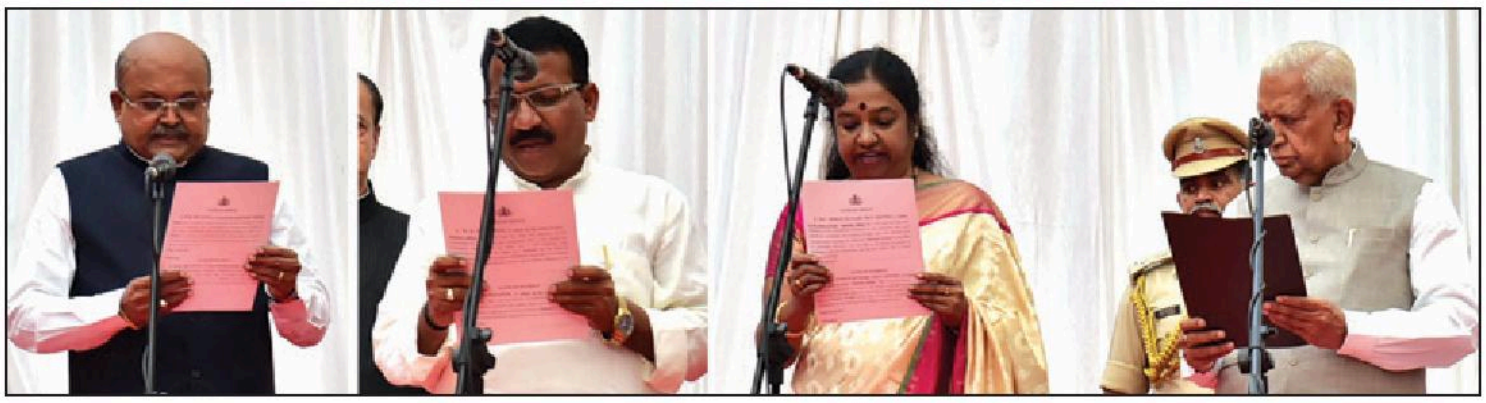
Cabinet berth pangs over: New Ministers take oath



Governor Vajubhai Rudabhai Vala (extreme right) is seen administering the Oath of Office to the newly-inducted Ministers — H.M. Revanna, R.B. Timmapur and Dr. Geetha Mahadevaprasad — during the swearing-in ceremony at Raj Bhavan Glass House in Bengaluru last evening.

Bengaluru, Sept. 2 (KMS& BCT)- With just seven months to go for 2018 Assembly elections, Chief Minister Siddharamaiah strengthened his home district Mysuru by inducting M.C. Mohana Kumari, popular as Dr. Geetha Mahadevaprasad, first-time MLA and wife of his late friend and Minister H.S. Mahadevaprasad, while filling the three vacancies in 51-month-old Ministry.

The new Ministers inducted, CM's sole choice: H.M. Revanna, R.B. Timmapur and Dr. Geetha Mahadevaprasad. Now, all 34 Ministerial berths, including the Chief Minister, have been filled. The Ministry size is determined by Constitutional norms. This is the sixth and, perhaps, the last expansion of the Council of Ministers before the election.

While caste matrix played a vital role in the selection of the two MLCs, Revanna (a Kuruba) and Timmapur (Dalit-Left sect) are known Siddharamaiah loyalists. Though the induction of Timmapur was doubtful yesterday morning, he was inducted as the CM's will prevailed.

It may be recalled here that a BJP delegation meeting Governor Vajubhai Rudabhai Vala yesterday morning demanding Timmapur's non-inclusion into the Cabinet as he was accused of providing false address to vote for Congress candidate in the Mayoral elections in Bruhat Bengaluru Mahanagara Palike (BBMP).

The CM handed over the Home portfolio to Ramalinga Reddy, who was in charge of Transport. The key Transport portfolio was given to H.M. Revanna. Siddharamaiah elevated four Ministers of State to Cabinet rank — Priyank Kharge (IT-BT & Tourism), Eshwar Khandre (Municipal Administration), Rudrappa Lamani (Textiles and Muzarai) and Pramod Madhwaraj (Fisheries and Sports & Youth).

Dr. Geetha Mahadevaprasad was given Sugar and Small Scale Industries, and Timmapur Excise. Ramesh L. Jarkiholi was asked to give up the Small Scale Industry portfolio and take charge of Co-operation Department. Siddharamaiah has created a new Ministry — Skill Development — and allotted it to Labour Minister Santhosh Lad, as an additional charge.

Dr. Parameshwara gives ceremony a miss

Yesterday also witnessed a rift among the top leadership of the party with Karnataka Pradesh Congress Committee (KPCC) President Dr. G. Parameshwara staying away from the swearing-in function to express his displeasure at his candidate K. Shadakshari, not being accommodated.

Siddharamaiah also overlooked the recommendation of Dr. Parameshwara's political Secretary G.C. Chandrashekar to the Legislative Council and MLA P.M. Narendraswamy to the Cabinet. Also absent at the function was MLC V.S. Ugrappa, a Ministerial aspirant. The KPCC Chief was also reportedly unhappy with the selection of C.M. Ibrahim as MLC.

Rai misses Home portfolio

Drop Kempaiah, says Ramalinga Reddy

Ramanath Rai Ramalinga Reddy Kempaiah

Ending days of speculation, CM picked senior member of the Cabinet Ramalinga Reddy for the crucial Home portfolio. Reddy has been a non-controversial member of the Ministry and held the Transport portfolio.

The name of Forest Minister B. Ramanath Rai was earlier doing the rounds to head Home and the Opposition BJP had threatened an agitation if he was picked. A controversial video grab in which he allegedly told the Dakshina Kannada Police not to spare RSS ideologue Kalladka Prabhakar Bhat, known for his controversial speeches, had led to a political row.

Drop Kempaiah

New Home Minister Ramalinga Reddy has reportedly asked Chief Minister Siddharamaiah to drop retired IPS Officer M. Kempaiah from the post of Advisor to Home Ministry.

Kempaiah has been blamed by people within Congress for the mishandling of Mangaluru violence, effecting mass transfers in Police Department and also interfering in the Home Ministry.

Kempaiah, a close associate of Siddharamaiah, who is the architect of Karnataka's controversial Anti-Corruption Bureau (ACB), was always in the controversy ever since he was appointed as the Home Minister's advisor.

Ramalinga Reddy has apparently told the CM that he wants to function independently and does not want to govern the Ministry based on somebody's advice.

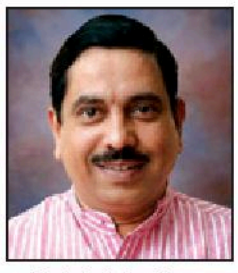
Modi Cabinet rejig tomorrow

Names of Prahlad Joshi, Suresh Angadi and Shobha Karandlaje doing the rounds

New Delhi, Sept. 2- Prime Minister Narendra Modi is likely to induct about a dozen new faces in his Council of Ministers and re-allocate some important portfolios tomorrow, probably the last major revamp of his team ahead of the 2019 general elections.

The new Ministers will be sworn-in by President Ram Nath Kovind at a ceremony in the Rastrapathi Bhawan, which will start at 10 am. The Prime Minister will leave for China to attend the BRICS Summit Sunday afternoon.

Among the names doing the rounds in BJP circles as likely contenders for Ministerial posts were Vinay Sahasrabuddhe from Maharashtra, former Mumbai Police Commissioner Satyapal Singh, Harish Dwivedi from Uttar Pradesh, Prahlad Joshi, Suresh Angadi and Shobha Karandlaje from Karnataka, Prabhat Jha, Rakesh Singh and Prahlad Patel from Madhya Pradesh, Ashwini Choubey from Bihar and Mahesh Giri from Delhi.



Prahlad Joshi

Suresh Angadi

Shobha Karandlaje

In revamping his team, Modi is expected to strike a balance between his agenda of governance and political expediency. He might give representation to about half-a-dozen States going to polls by the end of 2018 and reflecting the ruling party's new social engineering formula. BJP sources said he is likely to put a premium on performance in the re-allocation of portfolios, as was the hint from the list of Ministers who were asked to put in their papers.

Of the 73 members of the Union Council of Ministers, at least eight are likely to be edged out. There can be a maximum of 81 members, which gives the Prime Minister the option of inducting at least 15 new faces in the Government. He is, however, unlikely to fill up all vacancies.

Man arrested for robbing women in the guise of offering drop

Mandya, Sept.2 - The Mandya Rural Police have arrested a man on charges of robbing lonely women after promising to drop them to their destination in his vehicle. The arrested has been identified as Vishwanath, 39 of Hittalapura village in Kunigal taluk of Tumkur district. The Police have recovered jewellery worth Rs. 2 lakh, 8 cell phones and a Tata Ace Goods vehicle.

Modus operandi

Vishwanath, who owned a Tata Ace vehicle, used to park it near Gejjalagere Industrial area bus stop in Maddur taluk. As women working in the industrial area came out after the day's work, he used to introduce himself to lonely women who waited for transport.

Once the women got into his vehicle, he used to park his vehicle in front of roadside shops and offered them coffee or juice after clandestinely putting sedative substances. Later, after the women slipped into dizziness, Vishwanath used to rob them of their belongings leaving them at the spot.

Following complaints from several women in this regard, the Mandya Police, who swung into action, arrested Vishwanath when he was standing beside his vehicle near Srinivasapura gate in the outskirts of Mandya on the morning of Aug.31. The Police have recovered jewellery totally worth Rs. 2 lakh from him, according to Mandya SP G. Radhika.

Mandya Rural CPI B.K. Suresh Kumar, PSI Azharuddin and other staff arrested the accused under the guidance of ASP Lavanya and Dy.SP Chandrashekar.

Murder bid: Factory worker sentenced to three years imprisonment

Mysuru, Sept.2- A City Court has sentenced a 34-year-old man to three years imprisonment besides imposing a penalty of Rs. 1.10 lakh on him for attempting to murder a widow, who refused to love him. Prakash, a resident of Gopalapura in Jayapura hobli of the taluk, is the one who has been sentenced. Bhavya of Mavinahalli had married one Mahesh of Devarahosahalli in Nanjangud a few years ago. But Mahesh died a few months after marriage due to illness, following which Bhavya returned to Mavinahalli and worked for a garments factory at Belavadi to make a living.

Even as she worked for the garments factory, she got introduced to Prakash who worked in a nearby industry. Sometime later, Prakash began to pester Bhavya to love him, which she refused.

Prakash, who was upset over Bhavya spurning his love, went to Mavinahalli and entered her house by removing roof tiles on the night of Dec.30, 2014 and assaulted her with a machete several times. Hearing Bhavya's scream for help, her neighbours came to her rescue, by which time Prakash had fled from the spot.

Jayapura Police, who had registered a case, arrested Prakash a day later and filed a charge-sheet against him in the Court.

The 2nd Additional District and Sessions Court Judge Vijayakumar M. Anand Shetty convicted Prakash and sentenced him. Public Prosecutor H.D. Anand Kumar argued for the State.

Cheated by friend, man ends life

Periyapatna, Sept.2 (Ramesh)- A 33-year old man ended his life on Friday in Periyapatna village after being allegedly cheated by his friend and scared over a bank notice. The deceased has been identified as **B.B. Shivakumar** of Bhootanahalli in the taluk. One Nagaraj and his son Sachin of the village had availed loan from Periyapatna Syndicate Bank in the name of B.B. Shivakumar for purchase of a car two years ago.

But even after two years, the father-son duo failed to repay the loan. Shivakumar, who received a notice from Syndicate Bank asking him to repay the loan, felt cheated and reportedly hanged himself in his residence. Following a complaint from Shivakumar's father B.M. Basavaraj, Periyapatna Police registered the case and are investigating.

Daily Air Service to Chennai from Sept. 15

Departure from Chennai: 5.25 pm, Arrival in Mysuru: 6.40 pm.

Departure from Mysuru: 7.05 pm, Arrival in Chennai: 8.20 pm.

MP Pratap Simha

A delegation from National Real Estate Development Council (NAREDCO), Mysuru unit, is seen with Minister of State for Civil Aviation Jayant Sinha in New Delhi. The delegation met the Minister to seek regular air services from Mysuru. Seen in the picture are (from left) Sudhindra, Dhirendra Mehta, N. Divyesh, Adisheshan Gowda and Satish.

Mysuru, Sept. 2 (MTY&BCT)- Finally, commercial flights from Mysore Airport at Mandakalli will resume from Sept. 15, a week before Dasara. Mysore Airport Director Manoj Kumar Singh confirmed that Hyderabad-based TruJet's 78-seater aircraft will be operated from Mysuru to Chennai every day. The resumption of flight operation comes nearly two years after Alliance Air suspended flight services from the city.

The operations will begin under Regional Connectivity Scheme (RCS), known as UDAN (Ude Desh ka Aam Nagarik), launched by the Narendra Modi Government. The plane will depart from Chennai at 5.25 pm and reach Mysuru at 6.40 pm. It will depart from Mysuru at 7.05 pm and reach Chennai at 8.20 pm. The flight operations resumed after marathon meetings with TruJet authorities and Airports of India authorities and with the intervention of Union Civil Aviation Ministry.

It may be recalled here that *Star of Mysore*, on Aug. 31 published a report "No Air Service This Dasara" as TruJet had expressed its inability to operate flights in September and sought time till October 15. **Following the publication of the report, Mysuru-Kodagu MP Pratap Simha had tweeted *SOM* report to Jayant Sinha, Minister of State for Civil Aviation, following which a decision was taken to operate flights from Sept. 15.**

TruJet has already uploaded the flight details on its website, and the ATR 72 flight will operate daily on the route while another operator Air Odisha is also waiting to introduce flights to Mysuru. Thanking Jayant Sinha and Prime Minister Narendra Modi, Pratap Simha said commercial flights will give a fillip to the economic and commercial growth of the Mysuru and boost the tourism sector.

Agreements have been signed with Air Odisha and TruJet for three years and operators cannot terminate the contract. "If there is a gap in the revenue or losses, the Union Government will fund 80 percent and the States will fund 20 percent to reimburse the losses.

NAREDCO DELEGATION MEETS MINISTER

A delegation from National Real Estate Development Council (NAREDCO), Mysuru unit, met Minister of State for Civil Aviation Jayant Sinha on Aug. 30, requesting him to start daily flight operation from Mysuru. The delegation was led by N. Divyesh, NAREDCO convener and comprised members Sudhindra, Dhirendra Mehta, Adisheshan Gowda and Satish.

Speaking to *Star of Mysore*, Divyesh said that in a memorandum submitted to the Ministry, the NAREDCO delegation urged him to not restrict flight operations from Mysuru to Bengaluru.

"We told him that travellers must be able to fly to destinations including Chennai, Goa, Mangaluru, Hyderabad, Cochin and Mumbai. If direct flights are not possible, at least it must be connecting flights with a single ticket. This way it will be viable both for travellers and flight operating companies," he said.

The Minister told the delegation that if there was a demand, his Ministry was open to operate "Heli Shuttle" that will soon be operational from Electronics City in Bengaluru to Kempegowda International Airport at Devanahalli in Bengaluru.

On the expansion of Mysore Airport, the Minister told the delegation that though the State Government has allotted 390 acres of land for expansion, it is yet to be handed over for the purpose. "On our part, NAREDCO will start a dialogue with tour operators, travellers and other stakeholders to popularise the flight operations from Mysuru," Divyesh added.

MCC to issue notices to 728 tenants of Devaraja Market next week

Mysuru, Sept. 2 (RK&BCT)- The Mysuru City Corporation (MCC) has begun the process of evicting the tenants of the century-old and dilapidated Devaraja Market that will be reconstructed. Eviction notices are being prepared and will be issued to over 728 tenants next week.

Though the rental agreements between the MCC and the tenants expired in 2003, the MCC move of evicting the tenants for renovation hit a roadblock as the tenants approached the High Court for a stay.

"The Court stay on the renovation has been vacated. Under the Public Premises Eviction Act, we are issuing notices to the tenants to clear the premises at the earliest," MCC Revenue Officer Kumar Nayak told *Star of Mysore*.

There are over 728 tenants in the market and re-tender will be called after revising the rent rates, he added.

"We have discussed in the MCC and have already prepared notices and will be issuing them next week. A portion of the market collapsed in August last year and the MCC will reconstruct the market. The State Government too has agreed to provide funds and we are waiting for the same," he said.

Kumar Nayak said that the Detailed Project Report (DPR) for the Devaraja Market reconstruction is ready and market will be constructed on the lines of the original architecture of the market. He said that the Lansdowne Building reconstruction will also be taken up simultaneously with the Devaraja Market since DPRs and funds had been sought for both.

But the eviction move has not been taken lightly by the vendors. Devaraja Market Vendors' Association Present Pailwan Mahadev told *SOM* that it would be a Contempt of Court. He said that he was not aware of the MCC getting the stay vacated. "We will have to study the Court order to make our next move. If need be, we will knock the doors of the Court again," he said.

As the project has been cleared, over 25 acres will have to be allotted by Karnataka Industrial Area Development Board (KIADB). "We will now begin spot inspection and measure the land. Once the land is identified and measured, a No Objection Certificate (NOC) has to be taken from nine departments including fire, Police, Health, Food and Civil Supplies, PWD and the Karnataka State Pollution Control Board.

Monsoon Mayhem

The monsoon season in India is about ushering in hope, prosperity and wealth. But in India's urban concrete jungles, monsoon is a nightmare and requires great survival skills.

One good heavy rain and urban India plunges into chaos. Shamefully, the most affected are the big cities like Mumbai, Chennai and Bengaluru — cities where nation's revenue is generated.

Sadly, these are also the cities where nature has been destroyed in the name of development. And interestingly these are also the cities that have an exclusive "Urban Development" Department ! Makes one wonder, what purpose this Department serves?

But when most of the politicians and bureaucrats are real-estate agents, naturally Urban Planning is not a priority.

In Mumbai, 40% of swamps, which were buffers between land and sea, have been filled and allotted to builders! The famous Bandra - Kurla Complex was built by filling up a swamp in spite of the National Environmental Engineering Research Institute (NEERI) warning Maharashtra government in 1996 that reclamation of mangrove lands for the Complex would lead to flooding during monsoon. No one cared. So flooding continues and will continue.

But can we always blame politicians? Not really. We vote based on caste and money instead of what developmental plans a leader has and if he has delivered on it. Also we use storm water drains as landfills by dumping waste and debris. A Public Works Department is only as effective as the citizenry's civic sense.

Now, the most ironic moment during floods is when instead of cursing and protesting against the lack of basic services we pat our own backs for our ability to survive Government's inefficiency and scream "Spirit of Mumbai" while mocking others.

We all may remember when Mumbai flooded in 2005, a few months later New Orleans, a city in USA also flooded. Soon proud messages were being circulated saying, "Mumbai up in 2 days... New Orleans still down after 3 months."

Well, Mumbai flooded with just a heavy rainfall whereas we failed to see that 80% of New Orleans drowned as the levee broke. Now, it's been over 10 years; so where do these two cities stand?

Two years after flooding, the Greater Mumbai Disaster Management Action Plan came into existence and in a 2013 report, the Comptroller and Auditor General (CAG) said that only 30 per cent of the work was completed with cost escalations of over Rs. 2,708 crore !

Also the Brihanmumbai Stormwater Disposal System (BRIMSTOWAD) Project, a plan conceived way back in 1985 to set up pumping stations, was given a kickstart. Out of the eight planned pumping stations, only four are ready. Meanwhile, the cost went from Rs. 1,200 crore to Rs.4,000 crore ! And Mumbai continues to flood every monsoon.

On the other hand, in 2005, 80% of New Orleans was submerged. Today they have a new protection system against floods and hurricanes built by the US Army Corps of Engineers. The city has been rebuilt. Tourism has increased. It is slowly becoming the food and music hub of America with numerous restaurants. It now hosts over 129 art and music festivals annually! What about Mumbai? Well, the city with the richest Municipality in Asia, is still flooding every year. Is this the spirit of Mumbai?

Even this time round people are saying "Spirit of Mumbai" mocking and comparing it with flooding of Houston, a city in the United States. First, what Mumbai got was 12 inches of rain in 12 hours. It was heavy rainfall. What Houston got was 200 kilometres per hour wind with 50 inches of rain in 48 hours! It was a Hurricane.

But not to worry they will rebuild a better Houston city and will not face a flood next time... but Mumbai? Well, Mumbai will keep patting itself on the back about its "Spirit of Mumbai." Let's hope they keep their spirits up and safe... because they will need it again next year and the year after and after...

For now, guess it's time for the Indian middle class to do what they always do...find their own way. Just like how, when the Government does not provide regular electricity, we put inverters; when the Government fails to supply water, we build sump tanks; when the Government fails to give clean water, we put RO filters and when the Government fails to provide security, we build ugly cages around our houses. May be, it's time we spend some extra money and build our own infrastructure too. Already in many areas, both in Bengaluru and Mysuru, residents have pooled money and are building concrete roads and drains in front of their houses.

Guess, the saying in India is: *Ask not what your country has done for you. Just do what you have to do because your Government does nothing for you!*

Warriors don armours for KPL battle

By S.N. Venkatnag Sobers

The much-awaited cricket tournament of the State, Karbonn Smartphones Karnataka Premier League, is back with its sixth edition and so are Mysuru Warriors with a new team and a new Captain. Apart from J. Suchith, no other player has been a part of the team for four consecutive years.

After being led by Manish Pandey, the baton has now passed on to Karun Nair, who has previously led Delhi Daredevils and recently the India 'A' team.

Warriors have had good practice sessions at SJCE Grounds. The team, which had a dream debut by winning the tournament in 2014, lost in the following season. Last year, they lost the crucial semi-finals.

This year, the team seems to have regained momentum with fresh faces. The best buy in this year's auction have been cricketers like Karun Nair, Shreyas Gopal, Shivil Kaushik, J. Suchith and B.N. Bhareth, who all have experience playing in Indian Premier League. While the boys are gearing up for the tournament, the team management led by Arjun Ranga has been providing the necessary logistics and support.

This is one team that every cricketer wants to be a part of as players are treated with professionalism.

Mysuru Warriors have a strong support team that has been working hard to keep the boys fit. The support staff is led by Sham Rao, the head fitness trainer, includes Assistant Trainer Raghavendra and Physio Shravan.

The team starts its campaign against Kalyani Blasters Bengaluru at the Chinnaswamy Stadium tomorrow (Sept.2) after which they will face Bijapur Bulls at SDNR Wadiyar Stadium in Mysuru on Sept. 4 (Monday).

Every fan of Mysuru Warriors is hoping that the team will bring back the coveted KPL trophy back to Mysuru.

We are here to support talented sportspersons: Arjun Ranga

N.R. Group, the makers of Cycle Pure Agarbathies, is a known family business house. The company has involved itself in many charity works and has also been supporting sports by sponsoring talented sportspersons from Mysuru representing the country at national and international levels. Not only this, Cycle Pure Agarbathies has also been one of the leading sponsors for International Cricket Tournaments apart from owing Mysuru Warriors, the Karnataka Premeir League franchise. **Star of Mysore** caught up with Arjun Ranga, Managing Director, Cycle Pure Agarbathies to know about Mysuru Warriors's preparations for this year's KPL. **Excerpts...**

Star of Mysore (SOM): What does cricket mean you?

Arjun Ranga: Cricket is like our team's tagline in our song *'Hannondu Deha, Ondu Hrudaya'* (eleven bodies, one heart). It is an amazing sport and it is always good to be involved with the game. No matter who you are, once you enter the ground all eleven are one and should come together to perform. It is a great leveller where everybody has to perform. For me, cricket is life.

SOM: N.R. Group has been involved in sports promotion. Tell us something about it.

Arjun Ranga: As a brand and as a company we have been supporting sports for a long time now. I remember my father and uncle extending support to talented sportspersons from Mysuru in 1980s and 90s. My uncle was instrumental in getting the 1983 Cricket World Cup winning team to Mysuru to play an exhibition game. We believe that sportspersons represent a breed that talks about commitment, hard work and passion. And we believe that sport builds camaraderie, strong team and stronger nation.

We support sportspersons from Mysuru as we are a Mysuru-based company.

SOM: About Cycle Pure Agarbathies association with cricket.

Arjun Ranga: Our entry into cricket was sudden. It was during 2003-2004 when Pakistan visited India after a long break. The tournament had to commence the next day and the main sponsors backed out. Later, I got a call from Ten Sports asking if I was interested to be a part of cricket. We had never invested in cricket before and I thought it was a big opportunity. Decision making was easy since ours is a family business. We took a decision overnight to be a part of the series.

The reason for us to sponsor cricket is because it is followed by everyone irrespective of their religion like our agarbathies which is also used by everyone.

SOM: Can we expect you sponsoring Indian Cricket Team in the near future?

Arjun Ranga: Yeah, we had bid this time for BCCI rights for the next five years. We had a consortium bidding but Paytm scored over us. But I would like to say that we will continue to get BCCI contracts in the future as well.

SOM: Tell us about Mysuru Warriors?

Arjun Ranga: We are sponsoring cricket tournament with an eye on branding and advertising. But with respect to Mysuru Warriors, we always wanted to do something for the city. We wanted to inspire our city and the youth. We we wanted a team which is aggressive to do away with the notion of Mysuru being a retirement paradise. That is why we chose the name 'Warriors'.

SOM: What is your opinion about current Mysuru Warriors team?

Arjun Ranga: Our aim was to get good players and we have a dream team. We did not imagine to get five best players from 'Pool A' especially Karun Nair. The responsibility of the management is to give the coaches and the captain the responsibility of leading the team and taking important decisions and that is exactly what we have done. We believe in empowering the team and build a strong management culture, strong work ethics within the team which I believe will deliver the desired results. If we are able to inspire at least five players among the 20 to do better in their cricketing career, I believe our job is done.

Very excited to be a part of Mysuru Warriors: Karun Nair

He is the second Indian to score a triple century in test cricket after Virender Sehwag. He had a dream first-class debut in 2013-14 during which he played a vital role for Karnataka to win all major domestic tournaments. He hit three consecutive centuries in thee Ranji Trophy (2013-14) which included the quarter-finals and semi-finals. The following season, he scored a record-breaking triple century to help Karnataka defend its title. Meet Karun Nair from Bengaluru who rose to instant scoring his triple century (303 not out) against England in Chennai last year. Karun, who led the India 'A' in the South Africa tour, will lead Mysuru Warriors in their quest to win the coveted KPL trophy. **Star of Mysore** caught up with Karun for a brief interview ahead of Mysuru Warrior's match tomorrow. **Excerpts...**

Star of Mysore (SOM): How did cricket happen to you?

Karun: Like any other youngster, I used to play a lot of gully cricket and watch matches on television. Being a big fan of Sachin Tendulkar, I used to watch his batting and imitate his style. As I used to play a lot of cricket, my parents thought it was safe to put me into an academy. My father was also passionate about the sport and he took me to Koramangala Cricket Academy and that's how I started.

SOM: After 14 years, you had a dream debut in 2013. Tells us more.

Karun: It was a long wait indeed. I was in the team for about three years and after a point I was actually counting the games. I was in the team for 15 games and giving water for 15 games. It was frustrating but I was preparing for the road ahead by watching my seniors play. It actually helped me and I never felt being out of place. I was lucky enough to be a part of the team which won the all three (Ranji, Irani and Syed Mustaq Ali Tournaments) in the same year. And I never looked back and kept going. I was picked up for the Sri Lankan tour but never got a chance to play. Luckily, I played in the test match against England which showed my talent.

SOM: What was the feeling after scoring triple century against England?

Karun: I cannot explain. It was one of those days where everything went right for me and it was a proud moment. My parents were watching the match which made it more special.

SOM: Tell about your dressing room experiences with senior cricketers.

Karun: The dressing room is like a big family and Captain Virat Kohli is aggressive and inspirational. He likes everyone to be like one family and everyone follows him. To have a leader like him is good for the team because when the captain is trying hard to give his best for team it inspires team members.

SOM: After you, K.L. Rahul and Manish Pandey, do you see more cricketers from Karnataka in the Indian squad?

Karun: Very much. I think there are a lot of talented cricketers who have been knocking at the doors of Indian team. Having played age group cricket with some of the best cricketers, I think it is just a matter of time when we find more players from Karnataka being absorbed into the Indian squad. There are players like Samarth, who did well for the India 'A'. It will take him another good season to make it to the national side.

MYSURU BOYS: ***Seen in the picture are*** *(from left)* ***Vyshak Vijay Kumar, J. Suchith, S.P. Manjunath, Nanda Kishore, Kishan. S. Bedare and N.P. Bhareth***

SOM: Share us your thoughts about leading the India 'A' team.

Karun: It was a great experience. I had to handle eleven different people from eleven different parts of the country. It was a bit tough but I enjoyed it. We probably lost the first match as the team didn't play collective cricket but we came back strongly in the second match and won the game. And I always believe that a captain is as good as a team. As long as team does well, the captain is good and vice versa.

SOM: What are your thoughts on KPL?

Karun: KPL has always been an exciting event and it is great opportunity for everyone to express themselves. And I also remember when I was picked for the first time I was excited as it was a good opportunity to play in front of a huge crowd and to come live on television. It will be a great challenge.

SOM: What do you have to say about Mysuru Warriors, since it is your first time in the team?

Karun: I am glad to be a part of Mysuru Warriors. Ever since the team joined the KPL, I have only been hearing good about the team. We have been working really hard and we have a good bunch of cricketers, all thanks to the team management that has done well at the auction to pick this great side filled with enthusiasm.

SOM: How has the team planned for this season?

Karun: T20 cricket is such a format where any team can emerge victorious. It is about following the different processes and doing well. We have been really working hard and everyone has been putting their efforts to emerge victorious in the tournament.

SOM: What is your opinion about the team management?

Karun: It is the best team and I always wanted to be a part of Mysuru Warriors. I would like to thank Arjun Ranga for all his support and I am sure that he will continue to support the team and help in its continuous growth.

It's PoP culture! Hopes of Green Ganesha sink

A series of awareness programmes by the District Administration and voluntary organisations on the harmful effects of Ganesha idols made out of Plaster of Paris (PoP) had no impact on the people. The picture shows many Ganesha idols made of PoP floating inside the Virija Canal near Siddalingapura on the Mysuru-Bengaluru Highway.

Two youths drown while immersing Ganesha idol

Periyapatna, Sept. 2 (Veeresh&BCT)- Two youths lost their lives while they entered a lake to immerse Ganesha idol at Periyapatna at around 9.30 am today.

The youths have been identified as 16-year-old Manjunath and 27-year-old Mahesh. According to the Police and villagers, the Police had imposed a deadline of Aug. 31 for all the Ganesha idols to be immersed. Despite this, villagers of V.G. Koppalu decided to immerse the idol today.

Accordingly, a large group took the idol to Vaddarakere to immerse it. Around seven people entered the lake with the idol and Manjunath and Mahesh were at the front.

As the idol was being lowered into water, Manjunath and Mahesh were caught in strong water currents and were pulled inside. Villagers said that the water level of the lake had increased following rains. Desperate attempts to rescue the youths failed and they drowned. Their bodies were fished out later and were shifted to the Government hospital.

MLA K. Venkatesh, Additional SP N. Rudramuni, Dy.SP N.G. Bhaskar Rai, CPI H.N. Siddaiah and SI Ravikumar visited the hospital.

'Rally for Rivers' draws good response in city

Mysuru, Sept. 2 (SBD&US)- As part of the Nation-wide campaign on preservation of rivers launched by Sadhguru Jaggi Vasudev, Lions Club of Mysore West had organised a 'Rally for Rivers' in city yesterday which received a good response.

Hundreds of students and volunteers took out the rally from Maharani's College on JLB Road passing through Devaraj Urs Road, Sayyaji Rao Road, Irwin Road, Vinoba Road and through other parts of city holding placards seeking support for the campaign to save rivers of country. The rallyists pointed out that the rivers had nurtured the biosphere for decades and which should be protected.

Students of JSS Women's College formed a human chain extending their support to the campaign. Members of Lions Club International assembled near Kuvempu Statue on Vishwamanava Double Road in Kuvempunagar here and cheered the rallyists.

Lions Governor V. Diwakar, Dy. Governor Nagaraj V. Beri, District Convenor N. Jayaram and others were present.

'Kuvempu Aniketana' Award presented to Prof. C. Naganna

MLA Vasu is seen presenting 'Kuvempu Aniketana' Award to Prof. C. Naganna, Retired Director of Prasaranga, University of Mysore, at a function held at Kalamandira recently as other dignitaries look on.

Mysuru, Sept. 2 (US&SPN)- A two-day State-level inter-college cultural festival organised by Vishwamanava Vidyarthi-Yuva Vedike was held on Wednesday at Kalamandira here.

Inaugurating the programme, MLA Vasu regretted that casteism had entered every sector and appreciated the youth for converging in large numbers for a cultural meet.

On the occasion, Vasu presented 'Kuvempu Aniketana' Award to Prof. C. Naganna, Retired Director of Prasaranga, University of Mysore. The MLA announced a personal cash prize of Rs. 50,000 to the first prize-winning individual or team.

Prof. Nilagiri M. Talwar of Kuvempu Institute of Kannada Studies, former ZP President K.C. Balaram, Vedike President M.J. Suresh Gowda, Journalist Sadashiva Hulgur, Yuva Vedike State President Mohit Gowda, Secretary Rakesh Gowda and others were present on the occasion.

CAVA students to stage indefinite stir from Sept.4

Mysuru, Sept.2 (MTY&DM)- Demanding immediate appointment of Dean to the College, over 250 students of Chamarajendra Academy of Visual Arts (CAVA), situated in the Government Textbook Press premises on Bannur Road in city, will stage an indefinite stir in the College campus from Sept.4.

Claiming that CAVA is headless after Basavaraj S. Musavalgi retired as Dean on July 31, 2017, the office-bearers of Kuncha Kavya Samskruthika Samiti (KKSS), the Students Union of the College, said that representations to Kannada and Culture Minister and the Principal Secretary of the Department seeking appointment of Dean had gone in vain.

In the absence of the Dean, there is a big question mark on the much-awaited 'Dasara CAVA Mela' organised every year, as only the Dean can get funds sanctioned for the Mela and other academic activities, they said.

Alleging that they have not received stipend for the past three months, they said that the indefinite stir from Sept.4 will continue until Dean is appointed at CAVA.

Children interact with Police personnel

Mysuru, Sept.2 (RK&US)- A huge number of children were seen gathered at Kuvempunagar Police Station here yesterday.

Passersby were left wondering whether the children assembled were juvenile delinquents and if so how could so many could be rounded up in one shot.

In fact the children were not juvenile delinquents but innocent kids brought to the Police Station to get more information about Police personnel who are usually dreaded by children. Parents normally threaten their kids that they would be handed over to Police if they fail to eat or go to school.

That usually creates an apprehension and fear psychosis among children about the Police.

To get over that fear, children of 'Arivu' organisation in Lingambudi Palya here were brought to the Police Station and made to interact with Police Personnel.

The children got all their misconceptions cleared about Police and satiated their innocent inquisitiveness. Sitting close to the Police, the kids got heir fear over Police removed from their mind.

Assistant Police Sub-Inspector G. Anusha interacted with the children making them aware that Police like parents would punish only those who commit crimes.

The kids with satisfaction writ large on their faces later left the Police Station happily.

VTU engineering students stage stir

Mysuru, Sept. 2 (RK&DM) - More than 300 students from various engineering colleges across the city staged a demonstration in front of Visvesvaraya Technological University (VTU), Mysuru Regional Office near Sathagalli Bus Stand, here yesterday demanding re-introduction of the carry-over system.

The students abstained from classes for the day to take part in the agitation. Claiming that the withdrawal of carry-over system and the abnormal hike in fees had badly hurt them, the students urged the VTU authorities to address the issues at the earliest.

The students also warned of resorting to road blockades if their demands were not met in a week. Mysuru South Police provided security at the venue.

The students, who later staged a dharna in front of the Deputy Commissioner's office under the banner of VTU Students' Struggle Committee and All India Democratic Students' Organisation (AIDSO) urged the VTU authorities to conduct supplementary examinations for the choice based curriculum system (CBCS) students.

"VTU affiliated colleges now follow two curricula. In 2015-16, the curriculum was changed to CBCS. The 2015-16 batch students are now in the third year while the last batch of students under the 2010 curriculum scheme are in thermal year. The students under CBCS and 2010 curriculum scheme have been inconvenienced," they said.

Criticising the delay in the announcement of results, the students said results which were to be announced in December 2016 were delayed by five months and results of many students were withheld.

They also condemned the crash semester programme of the VTU which makes a student face 16 to 20 exams in a two-month period.

Ex-Mayor urges Centre to provide social security to Pourakarmikas

Narayana

Mysuru, Sept.2- Former Mayor and former State Safai Karmachari Commission Chairman Narayana has urged the Centre to ensure social security for Pourakarmikas.

Speaking at a documentary screening programme on the '*Status of Pourakarmikas and Manual Scavenging*' organised by PUCL (Peoples Union for Civil Liberties) at Dr. B.R. Bengaluru, Sept. 2- Hubli Tigers and Belagavi Panthers put on a fine show in the inaugural match of this year's Karbonn Smartphones KPL at the M. Chinnaswamy Stadium in Bengaluru yesterday taking the sixth edition of the tournament off to a flier. In the end, Hubli took home all the points, thanks to K.V. Siddharth's brilliant unbeaten 61 of 51 balls.

Hubli opted to bowl, and led by Captain R.Vinay Kumar from the front, made early inroads into the significant Belagavi batting line-up. Vinay, Abhishek Sakuja, the left-arm spinner, and Ritesh Bhatkal all took two wickets apiece as Belagavi were pushed back. However, Sunil Kumar Jain, a muscular left-hand batsman, walked in at No. 6 and smashed an unbeaten 34-ball 39 to help Belagavi post 128.

Chasing the target of 129, Hubli lost Anurag Bajpai and Abhishek Reddy in the first two overs, Stuart Binny and S. Arvind moving the ball cannily to effect both dismissals. It meant the dangerous Mayank Agarwal, usually an irresistible force, was forced to change strategy. He decided to pace the innings along with Siddharth, and the two kept the scoreboard moving. They had added a steady 31 for the third wicket when Belagavi, just refusing to let go, struck again. K. Gowtham showed just why he became one of the most expensive players in the tournament after deceiving Mayank with his off-spin.

Unfortunately for Belagavi, they didn't have much cheer thereafter. Siddharth took charge after Captain Vinay Kumar arrived for company, and after chugging along at a run-a-ball, they applied the squeeze thereafter. Vinay found the fence twice off Shubang Hegde in the 13th over. Then Siddharth, who had displayed plenty of power throughout the evening, stepped forward and clobbered Anand Doddamani over long-on for his second six.

Binny did manage to send back Vinay, with the Hubli captain missing a flick across the line. But at 99 for 4, Hubli knew they needed only to stay calm and close out the victory. And in Siddarth, they had an extremely composed 24-year-old.

Praveen Dubey (19 off 12) played his part as well and the two guided Hubli to their first win of KPL 2017.

Brief Scores

Belagavi Panthers 127 for 8 in 20 overs (Sunil Kumar Jain 39, K.N. Bharath 20; R Vinay Kumar 2/19, Abhishek Sakuja 2/11, Ritesh Bhatkal 2/12) lost to Hubli Tigers 128 for 4 in 17.5 overs (Siddharth 61 not out, R. Vinay Kumar 22; Stuart Binny 2-25).

Sharapova rolls on to Round 4

New York, Sept. 2- Maria Sharapova fought off a tough challenge in the first set and then cruised past American Sofia Kenin 7-5, 6-2 in their third-round match at the US Open.

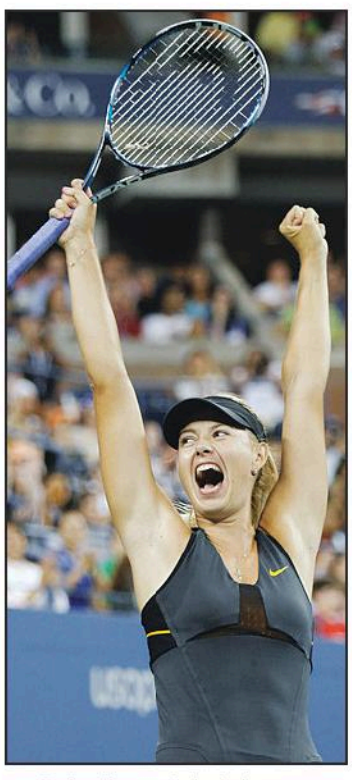
Sharapova, who received a wild card to appear in her first Grand Slam event since serving a 15-month doping ban, struggled at times with the counter-punching Kenin, who committed less than half of the Russian's 33 unforced errors.

But Sharapova eventually prevailed on power, ripping 36 winners to Kenin's six. Sharapova next faces 16th-seeded Anastasija Sevastova of Latvia, who earlier downed Donna Vekic of Croatia 6-2, 6-3.

Venus Williams is also into the fourth round of another major after beating Maria Sakkari of Greece 6-3, 6-4.It was Williams' 74th win at the US Open, breaking a tie with Steffi Graf for fourth most by a woman in the Open era.

The No. 9 seed reached the second week for the seventh straight major, the longest active streak in women's tennis. It's the first time since 2010 that she has reached the fourth round in every major.

However, Williams was eliminated earlier Friday from a chance at the No. 1 ranking when Garbine Muguruza reached the Round of 16. Third-seeded Muguruza, this year's Wimbledon Champion, defeated 31st-seeded Magdalena Rybarikova 6-1, 6-1.



Two-time Wimbledon Champion Petra Kvitova advanced 6-0, 6-4 over 18th-seeded Caroline Garcia. Muguruza and Kvitova will meet in the fourth round.

American Sloane Stephens, 24, is into the US Open's fourth round, something she last did in 2013. Now she is into the second week at a major for the first time since the 2015 French Open.

WORD OF THE DAY

Soi-disant

Meaning: Self-proclaimed, so-called.
Examples: "It's one of the few soi-disant walking boots we've seen this month that you might be able to, you know, walk in." — The Times (London), 3 Mar. 2010
"The scene was reminiscent of the heyday of the late, great Pasadena Art Museum in the 60s and 70s when an assortment of soi-disant art buffs regularly turned out, in cockamamie get-ups, for exhibition openings." — PattDiroll, The Pasadena (California) Star-News, 24 Nov. 2014.
Origin: Soi-disant, which in French means literally "saying oneself," is one of hundreds of French terms that entered English in the 18th century, during the period known as the Enlightenment. Even as political antipathies between France and England were being played out on battlefields in Europe and America, English speakers were peppering their speech and writing with French. Soi-disant first began appearing in English texts in the mid-18th century as a disparaging term for someone who styles or fancies himself or herself in some role.

THE ODD WORD

Bumptious

Crudely, presumptuously, or noisily self-assertive.

PHRASE OF THE DAY

In an interesting condition

Meaning: A euphemism for pregnancy.

Origin: 'Interesting' has been used since the 18th century as a euphemism for pregnant. Women were said to be in an interesting state or interesting situation and subsequently there was an interesting event (childbirth).
Example: Tobias Smollett, Roderick Random, 1748 - "So that I cannot leave her in such an interesting situation, which I hope will produce something to crown my felicity." Charles Dickens Nicholas Nickleby, 1838 - "Mrs.Lenville (who, as has been before hinted, was in an interesting state)."
The Westmorland Gazette in its June 1899 edition mentioned: "'Interesting event' at Peterhof. Another daughter!" It was in America that we find the first reference to an interesting condition as a euphemism for pregnant. The Hagerstown Torch Light printed the phrase in an edition in September 1846: ... "the elopement of a blacksmith named Samuel Fellows and a Mrs. Betsey Reynolds. Mrs. Reynolds is about 31 years of age, and is good looking. She took her family of five children with her. She was also in an interesting condition. Fellows took his two children - making quite an interesting company."

QUOTE BOX

Giving birth and being born brings us into the essence of creation, where the human spirit is courageous and bold and the body, a miracle of wisdom.—**Harriette Hartigan.**
